One day driving experience

Dream Italy is extremely pleased to welcome you to Italy to live this outstanding experience with us. In fact, we at Dream Italy are focused on making our tours become the unique vacation or incentive trip to tell and never forget about. We strongly believe that Luxury travel is not about spending lots of money for a vacation, but it's about investing them into a Lifestyle and Learning Experience provided by added values such as Knowhow and true Human Feelings; values that no one can Google. Benvenuti, Amici!

Giorgio and his Dream Team

Buongiorno!

Your Tour Leader will welcome you during AM to explain the itinerary we have designed for you and all the amenities of this supercar. In fact, today you will drive a dream car through what we believe are the most beautiful and exciting roads of Italy. No traffic, smooth hills designed by mother nature, curves and roads built by ancient designers... everything to highlight your personal driving skills.

Following the safety car, you will enjoy a unique ride through the Orcia Valley also known to be named Treasure of humanity by Unesco in 2001. This ride will take you to visit the towns of San Quirico d'Orcia, Pienza, Montepulciano, Torrita di Siena. Lunch at Gourmet Restaurant in Sinalunga, the chef will please your palates with fantastic food.

After lunch we'll proceed toward the Crete Senesi and Asciano, the Abbey of Monte Oliveto Maggiore and return to Castello Banfi by late afternoon.

Arrivederci!
